

LED Floodlights

Description

This range of LED floodlights is ideal for domestic application and offers a cost saving over traditional tungsten halogen floodlights due to reduced power consumption and longer lamp life. These floodlights are available in a matt black finish, with or without PIR.

Features

- Complete with mounting bracket
- Daylight (6000K) lamp colour temperature
- 10W version replaces 150W halogen floodlight
- 30W version replaces 500W halogen floodlight
- Integral LED driver
- PIR version incorporates daylight sensor
- Adjustable time and lux levels on PIR
- Manual override facility on PIR
- 3-year guarantee

Range

10W LED floodlight	L2332BK6
10W LED floodlight with PIR	L2333BK6
30W LED floodlight	L2336BK6
30W LED floodlight with PIR	L2337BK6

Technical Specification

Voltage	240V ~ 50Hz
IP 65	IP65 – Standard IP44 – PIR
Lamp type	LED
Lamp wattage and lumens	10W – 700lm 30W – 2100lm
PIR	
Timer	5sec – 8m
Detection range	Up to 10m
Detection angle	120°
Light level	10 – 1000 lux
Manual override	Yes
Max loading	1000W

Dimensions

	Height inc. PIR at full extension	Width	Depth inc. bracket
L2332BK6	85	115	110
L2333BK6	205	115	143
L2336BK6	185	224	163
L2337BK6	295	224	230

All dimensions in mm
