

Slim LED Floodlights

Description

This range of Slim LED floodlights is ideal for domestic application and offers a cost saving over traditional tungsten halogen floodlights due to reduced power consumption and longer lamp life. These floodlights are available in a matt black or white finish, with or without PIR.

Features

- 4000K lamp colour temperature
- Integral LED driver
- Complete with mounting bracket
- High quality die cast aluminium
- PIR version incorporates daylight sensor
- Adjustable time and lux levels on PIR
- Manual override facility on PIR
- 3-year guarantee
