

Dimmer Switches

Description

This range of dimmers within the Deta Slimline Screwless range can control mains voltage and low voltage lamps.

Our LED versions are designed specifically with LED lighting in mind and are optimised to control our dimmable LED Fire Rated Downlights, as well as other leading brands of LED lamps, with minimal programming.

Features

- LED and incandescent / LV lamp versions available
- Frontplates supplied in a protective polybag
- Push on / push off control suitable for 2W circuits
- LED versions can be 2-way controlled using push-to-make switches
- 2-year guarantee
